### Item # DFS900-X - FOR VEHICLE APPLICATIONS, Strobe Lights - 900/950 Series

The 900 and 950 Series of strobe lights are large economical units designed for highway applications. The 900/950 Series lights feature a smooth outer dome (dust cover) and an inner fresnel lens, stainless steel clamp ring, and an ABS plastic base. This bright attention getting strobe light is available in single, double, or quad flash displays and in both AC and DC voltages. The 950 Series features a linear bulb for superior brightness to the front and rear of the vehicle.
